

PRE-TRIP INSPECTION

SAFETY FIRST! HERE ARE A FEW IMPORTANT ITEMS TO CHECK OFF BEFORE YOU HEAD OUT:

- ✓ **Check** trailer brakes
- ✓ **Check** for loose lug nuts
- ✓ **Ensure** lights are operational
- ✓ **Check** tire pressure

- ✓ **Turn** off the propane tanks
- ✓ **Verify** roof latches are secure
- ✓ **Confirm** the hitch is functional and secure
- ✓ **Ensure** the awning, shower and roof top tent are closed and zipped

- ✓ **Verify** the jack is functional and secure, remove jack handle and stow away
- ✓ **Secure** any loose items inside
- ✓ **Verify** all bolt-on accessories are secure
- ✓ **Ensure** gear is properly secured to MOLLE panels

- ✓ **Set** air suspension to ride height
- ✓ **Raise** stabilizers
- ✓ **Ensure** lubrication of wheel bearings, trailing arms and hitch
- ✓ **Make** sure all doors are closed and latched, lock entry door
